

2011 Gordon-Kenan Research Seminar

Science of Adhesion:

*Understanding and Controlling Adhesion
Through Interdisciplinary Research*

July 23-24, 2011
Bates College
Lewiston, Maine

**Abstracts for Talks and Posters
Due by March 23, 2011**

Frontiers in Physical and Biological Adhesion: The meeting will focus on characterizing adhesion and controlling adhesion in physical and biological systems.

The Gordon-Kenan Research Seminar is a unique forum for graduate students, post-docs, and other scientists with comparable levels of experience and education to present and exchange new data and cutting edge ideas.

Participants are also encouraged to attend the associated Gordon Research Conference, July 24th -30th, 2011
