

ESB 2020 JULY 12-15, 2020

MILAN, ITALY

26<sup>TH</sup> CONGRESS OF THE EUROPEAN SOCIETY OF BIOMECHANICS

POLITECNICO MILANO 1863

## Upcoming Deadline

Dear colleagues,

The abstract submission deadline for the 26th Congress of the European Society of Biomechanics (ESB 2020, [www.esbiomech2020.org](http://www.esbiomech2020.org).) is fast approaching.

Abstract submissions for podium presentations, posters and perspective talks are due by **January 31, 2020**.

No deadline extension is foreseen.

Notification of abstract acceptance will be given by March 31, 2020

The abstract submission procedure and templates are available at <https://esbiomech.org/conference/esb2020/guidelines/>

We remind that the available submission formats are:

- *Podium presentation*
- *Podium presentation with ESB student award*
- *Podium presentation with ESB travel award*
- *Podium presentation with ESB clinical Biomechanics award*
- *Perspective talk*
- *Poster presentation.*

As in the previous ESB conference, also ESB2020 “Perspective Talks” will be given by established leaders in their scientific domains with the purpose to present overviews or highlights on key research subjects on the congress topics. Researchers who intend to give a Perspective Talk are also encouraged to submit their abstract.

**Further deadlines are:**

- *Early registration: April, 30 2020;*
- *Registration of presenters, May 22, 2020*

Further detailed information as well as information on sponsoring and exhibition can be found at <http://esbiomech2020.org>

We are looking forward to receiving your contributions and to welcoming you at ESB 2020 in Milano.

With best personal regards,

Francesco Migliavacca, Gabriele Dubini, Manuela Galli, Alberto Redaelli  
ESB 2020 Chairs
