Airport Procedure

Check-in

Internet Check-in is available from 24 hours until 75 minutes prior to your scheduled departure time of the ANA international flights. For details, click [HERE](#).

*If you plan to complete check-in procedures at the airport on the day of departure, please do so at least 1 hour prior to departure (40 minutes for International flights departing from Haneda airport)

*When you depart from an airport in North America, please arrive at the airport earlier than usual as the procedures from leaving the country may take time as they are strengthening security.

*If you need [special customer assistance](#), please arrive at the airport earlier than usual.

Things to Bring

*Please bring the e-Ticket Itinerary Receipt and your passport.

Reservation Details

Caution

* No additional charge or refund will be made should the applicable fares be changed after the ticket is issued. Please click [here](#) for details.

* Exchange/Reissue Service Charge may be applied if you change the itinerary which is eligible to change. Please click [here](#) for details.

Note

* A portion of your personal information is displayed with a "*" mark in order to protect personal information.

* Please click [e-Mail Info] if you would like to receive the payment completion notification e-mail, which tells you that the entire payment process has been completed.

* No change or cancellation can be made on the web site after tickets are issued. Please contact [ANA International Flight Reservation and Information Center](#) for those changes. The identification is required for passengers who request a refund.

* Acrobat Reader (version 4.0 or higher) is necessary to print the eTicket Itinerary Receipt or the payment slip. If you do not have it, click the icon listed below and download Acrobat Reader.

If you wish to make a new reservation or would like to view, change or cancel your existing reservation, please click here.
