

# 2023 11th International Conference on Mechatronics and Control Engineering

Athens, Greece | January 29-31, 2023

ICMCE 2023

2023 11th International Conference on Mechatronics and Control Engineering (ICMCE 2023) marks the 11th Anniversary of the ICMCE conferences. ICMCE is a premier, annual forum for researchers and scholars from multiple disciplines to come together to share knowledge, discuss ideas, exchange information, and learn about cutting-edge research in diverse fields with the common theme of mechatronics and control engineering.

## Call for Papers

Topics of interest for submission include, but are not limited to:

- Automation, Mechatronics and Robotics
- Computational Fluid Dynamics
- Engineering Design Management
- Fluid Mechatronics and Machinery
- Instrumentation and Control
- Modeling of Complex Systems
- Process Control & Instrumentation
- Process Automation
- Precision Mechatronics, Mechatronics

More topics, please visit:

<http://www.icmce.org/cfp.html>

## Publication

All accepted papers (registered and presented) will be included in ICMCE 2023 Conference Proceedings, which will be published online and indexed by EI Compendex and Scopus.

## Organizing Committee

### International Advisory Committees

- Pierre Borne, IEEE Life Fellow, Ecole Centrale de Lille, France
- Graziano Chesi, IEEE Fellow, The University of Hong Kong, Hong Kong
- Daniel Quevedo, IEEE Fellow, Queensland University of Technology, Australia

### Conference General Chair

- Giuseppe Conte, Università Politecnica delle Marche, Italy

### Conference Co-Chair

- Olivier Sename, Grenoble Institute of Technology, France

### Program Chairs

- Elena Zattoni, Università di Bologna, Italy
- Ricardo Ambrocio Ramirez-Mendoza, Tecnológico de Monterrey (ITESM), Mexico
- Mohammad Salah, Hashemite University, Jordan

### Publicity Chairs

- Ke-Lin Du, Concordia University, Canada
- Sergei Alexandrov, Institute for Problems in Mechanics of the Russian Academy of Sciences, Russia
- Mark Jackson, Kansas State University, USA

## Keynote Speakers

Prof. Kyriakopoulos Konstantinos (IEEE Fellow), National Technical University of Athens, Greece

Prof. Daniel Quevedo (IEEE Fellow), Queensland University of Technology, Australia

Prof. Graziano Chesi (IEEE Fellow), The University of Hong Kong, Hong Kong, China

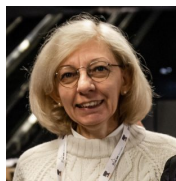

Prof. Sunil K Agrawal, Columbia University, USA

## Plenary Speakers

Prof. Maciej Michałek, Poznan University of Technology (PUT), Poland

Assoc. Prof. Elena Zattoni, Università di Bologna, Italy

## Paper Submission

- 1.Full Paper Submission: For paper publication and presentation at the conference.
2. Abstract Submission: For presenting only,without paper publication.
3. Please submit your full paper or abstract via [Online Submission System](#).
