

**Birla Institute of Technology & Science, Pilani**  
K K Birla Goa Campus

Gaurav Singh, Ph.D.  
Assistant Professor  
Department of Mechanical Engineering

**JRF (PhD) position for SERB funded project in Composite Failure**

The SERB funded project requires a Junior Research Fellow (JRF) at BITS, Pilani – KK Birla Goa Campus. The JRF should be willing to register for a PhD degree, to be awarded by BITS Pilani.

The fellowship will be according to the SERB norms (₹25,000/month for first two years and ₹28,000/month for the third year). After this, the candidate will be moved to Institute Fellowship for finishing the PhD degree according to the institute rules.

**Eligibility**

1. A Master's degree – preferably engineering
2. Fundamental knowledge of mechanics and reasonable mathematical skills

**How to apply**

Interested applicants should mail their latest CV with transcripts/degrees as a single PDF to

Gaurav Singh ([gauravs@goa.bits-pilani.ac.in](mailto:gauravs@goa.bits-pilani.ac.in)) [Homepage](#)

**Please mention your expected date of joining in the email.**

The position is now open and will close with the selection of a suitable candidate.

April 07 2017
